ROUND 2 APPLICATION PERIOD

PREFACE

The National Board of the Emergency Food and Shelter Program (EFSP) is pleased to announce the Round 2 Application Period of the Supplemental Appropriations for Humanitarian Assistance Funding. There were several changes to the guidelines from the Round 1 Application Period in order to streamline processes and increase access to the available funds. The agency application is available from February 17, 2020 – March 16, 2020.

Applicant agencies must be nonprofit, faith-based, or governmental and have provided eligible services to southern border migrants released from Department of Homeland Security (DHS) custody on or after January 1, 2019 through January 30, 2020. All agencies must have a Federal Employer Identification Number (FEIN) and a Data Universal Number System (DUNS) to submit an application for funding.

The Round 2 Application consists of four categories of service. All expenditures made by agencies must fall within one of the categories.

- Primary - includes only food and shelter
- Secondary – includes, but is not limited to, transportation, health/medical services
- Administrative - includes, but is not limited to, staff time and postage
- Equipment and Assets – includes purchases and releases, and necessary renovations to make facilities safe, sanitary and compliant with local codes (e.g., showers)

**Significant Changes - Brief Description**

*Per Capita Rate* – a $28.50 per person rate available to nonprofit and faith-based organizations that provided both meals and shelter.

*Per Meal Rate/Per Diem Shelter Rate* – The per meal rate is $3.00 per meal served and the per diem shelter rate is $12.50 per shelter night provided and only available to nonprofit and faith-based organizations. Actual costs are reimbursable for hotel/motel nights of stay.

In Round 2 applicable applicants will be able to choose between a per capita rate or per meal rate/per diem shelter rate. Applicants are allowed to choose only one of the options so the best option must be carefully considered and selected by each organization.

*Secondary Services Clarity* – Health/medical expenditures include health screenings, mental health services, legal aid, and translation services

*Government Agencies* are not eligible for the per capita rate or per meal rate/per diem shelter rate and must document expenditures based on actual costs. Logs, spreadsheets, and documentation (proof of payment or receipts) must be submitted to substantiate services provided.

*Food Banks* – are eligible entities in Round 2 for reimbursement. They may request reimbursement for food and other eligible items.

*Local Board Advertisement of Funding Availability* – Local Boards must advertise the funding opportunity to the community. Local Boards must advertise the Round 2 Application Period in a local newspaper that serve the community. Additional promotion of the funding may be shared via other networks and social media (e.g., Facebook, Instagram).

*Documentation Changes* – There are changes in documentation requirements for actual expenses. Expenditures must be supported with proof of payment or a receipt reflecting the purchase. Both are not required. A copy of the payment to an agency’s credit card company is not necessary for expenditures made with an
agency’s credit card.

**Spreadsheet Change** – A description column has been added to the spreadsheets. The column allows an agency to indicate an item purchased that it is not clearly identified on the receipt received from the vendor.

**Equipment and Assets Services** - is a new category to allow agencies to submit reimbursement for purchases, leases, repairs, or modifications that may have been necessary to continue providing services for migrants (e.g., a congregate meal site repaired a refrigerator, or a shelter repaired a washer or dryer).

**Technical Assistance**

Pre-recorded trainings and Help Desk assistance are available to guide Local Boards and applicant agencies through the process. The pre-recorded trainings are available on the EFSP website, [www.efsp.unitedway.org](http://www.efsp.unitedway.org). Select **Supplemental Funding** on the homepage for access to the list. Questions related to the funding may be directed to EFSP staff at suppfund@uw.unitedway.org or 703-706-9660, option 6.
PREAMBLE

On July 1, 2019, the President signed into law the Emergency Supplemental Appropriations for Humanitarian Assistance and Security at the Southern Border Act, 2019 (Public Law No: 116-26). Provisions of the law provide $30 million to the Federal Emergency Management Agency’s (FEMA) Emergency Food and Shelter Program (EFSP) to help defray the costs that state and local service agencies (non-profit, faith-based and governmental) have incurred in providing shelter, food and related supportive services to southern border migrants released from the custody of the Department of Homeland Security (DHS).

FEMA awarded the total $30 million to the EFSP National Board which is composed of representatives from American Red Cross, Catholic Charities USA, The Jewish Federations of North America, National Council of the Churches of Christ in the USA, The Salvation Army, United Way Worldwide, and FEMA, with FEMA serving as board chair. Congress chose the EFSP to disburse these supplemental funds for assistance to migrants because of the program’s established mission in supplementing and expanding the ongoing work of local social service organizations, both non-profit and governmental, to provide shelter, food and supportive services to individuals and families who are, or who are at risk of becoming, homeless or hungry. The program’s existing grant funds delivery structure and public-private partnership made it a viable means for providing reimbursement quickly to organizations having assisted migrants from the southern border released from DHS custody.

OVERVIEW

The National Board held an application period to award the $30 million that culminated in October 2019. Of the $30 million, over $8 million was awarded to over 80 organizations for eligible reimbursement costs. Because of the over $20 million remaining, the National Board determined that a Round 2 Application Period would be held and immediately began to gather feedback from listening sessions held in Arizona, California, New Mexico, and Texas communities during the months of November and December 2019. The National Board has updated this Supplemental Funding Guidance and other support materials based on input from the listening sessions and other communications with local and national stakeholders, and extensive deliberations conducted in National Board meetings held in January and February 2020.

The Round 2 Application Period will begin February 17, 2020. Reimbursement costs will be awarded through a competitive application process as was done for the first application period. No application is guaranteed an award and only eligible expenses can be reimbursed. The awards will be made to defray shelter, food, and related expenses incurred on or after January 1, 2019 through January 31, 2020.

Prior EFSP participation is not required to apply. Only eligible nonprofits, faith-based, or government (state or local) service agencies may apply for funds. In order to receive an award for eligible services provided, agencies must document the expenditures made to deliver services to southern border migrants released from DHS custody. Any agency that did not provide services on or after January 1, 2019 through January 31, 2020 in response to an influx of southern border migrants in its community who were released from DHS custody will not be considered to receive funds in the Round 2 Application Period.

DHS/FEMA determined, of the total $30 million appropriated by Congress, $25 million would be allocated to service organizations for award in the states of Arizona, California, New Mexico, and Texas, and $5 million would be allocated to service organizations for award in all 50 states. The final award of all funds will be proportionate in support of this $25 million/$5 million allocation.

Local and state service agencies interested in receiving funds must ensure their applications and supporting documentation (spreadsheets, daily logs/schedules, proof of purchase, as necessary) are prepared and submitted to the Local Board, or SSA Committee acting as a Local Board, by the deadline of 11:59 pm Eastern Standard Time on March 16, 2020. This deadline is 21 business days from the date the agency application will be made available on the EFSP website, [www.efsp.unitedway.org](http://www.efsp.unitedway.org), on February 17, 2020. The deadline will display on the agency application.

The deadline for Local Boards and SSAs acting as Local Boards to review and submit the agency applications, with recommendations, in a Local Board application to the National Board is 11:59 pm Eastern Standard Time on April 6, 2020. This deadline is 15 business days from the date the Local Board application will be made available on the EFSP website on March 17, 2020. The deadline will display on the Local Board application.

The National Board will conclude its review and award determination of the submitted applications by May 1, 2020. If there are any questions or concerns about the applications, National Board staff at United Way Worldwide will seek clarification and/or revisions from the Local Boards or SSA Committees acting as Local Boards. All questions and concerns must be addressed promptly, or the application will risk disqualification. The National Board will set a due date for responses and the Local Boards and SSA Committees acting as Local Boards will be notified.

The National Board anticipates funding award notifications will be sent to Local Boards and SSA Committees acting as Local Boards not later than the week of May 4, 2020.

**IMPORTANT:** Failure to meet any program deadlines may cause an agency to not qualify for funding or risk a delay in the receipt of payment, if awarded funds.
NATIONAL BOARD EXPECTATIONS OF LOCAL BOARDS & STATE SET-ASIDE COMMITTEES

Local Boards
Local Boards should broadly share information with non-profit, faith-based, and governmental service agencies in their communities via their networks, coalitions, organizational websites, and social media (e.g., Facebook, Instagram), as appropriate, regarding this funding opportunity. The notification is intended to reach all agencies regardless of whether they have participated in EFSP in the past. Local Boards must use every opportunity possible to advertise the funding opportunity in their local community. They must advertise in a local newspaper not less than 3 weeks prior to the March 16, 2020 deadline for agencies to submit applications. Costs incurred for advertisement of the funding opportunity may be reimbursed under the Administrative Services category.

A Local Board mirrors the composition of the National Board and is the governing body for the local EFSP in the county or city it serves. The Local Board represents the interests of community needs and shall review applications received from service agencies for completeness and eligibility, and submit the application package for the community to the National Board for review and award determination.

State Set-Aside Committees

Each SSA Committee is to contact the governor’s office of their state to advise of the funding opportunity. The SSA Committee, which mirrors the composition of the National Board, functions as a Local Board for any state-wide agency application for supplemental funding. The SSA Committee represents state-wide interests. SSA Committees will review all applications received and submit them as a package to the National Board for review and award determination.

Local Board Plans
After the National Board has determined awards, it will notify Local Boards and SSA Committees of service agencies that have been awarded funds. These Local Boards and SSA Committees will be required to submit a Local Board Plan to the National Board, which includes the Local Recipient Organizations’ (LROs) information (contact, address, etc.), the amount of funds awarded to each, and the category in which they may spend the funds (i.e., shelter, food, other related services). Once the Local Board Plans are received, and LRO Certifications have been received from LROs, the National Board will either make direct bank deposits or mail checks to the LROs.

APPLICATION PROCESS

The application to apply for these supplemental funds will be available on the EFSP website, www.efsp.unitedway.org. The National Board will notify Local Boards and SSA Committees, acting as Local Boards, via email when the application is available. Applicant agencies will go to the EFSP website and click on Supplemental Funding Information to access the application. The process differs depending on whether the organization is local or state-wide.

Service organizations, including governmental service agencies, will apply through their Local Board. Applications will be submitted to the Local Board for the jurisdiction (city or county) in which the applicant agencies provided services. If an agency is seeking funds in more than one jurisdiction, a separate application must be submitted to each Local Board of the respective jurisdictions. While completing the application, applicants will select the jurisdiction and the Local Board information will be populated on the application. State-wide organizations that provided eligible services may apply through their SSA Committee. Organizations may access Local Board and SSA Committee contact information by clicking on Supplemental Funding Information.

After service agencies complete their applications, they will electronically submit them to the Local Board or SSA
Committee, as appropriate. Applicants will be able to print the application before sending it. In addition, a copy of the application will be sent to the applicant via email after it is sent to the Local Board or SSA Committee acting as a Local Board. The Local Board or SSA Committee acting as Local Board will also receive an email notification that will include a copy of the application. The Local Board will compile all applications received and will electronically submit them as a package to the National Board for review and award decision. The SSA Committee acting as a Local Board will similarly compile all applications received and will electronically submit them as a package to the National Board for review and award decision.

This is a competitive grant process, so no application is guaranteed an award. Due to the limited funds, priority will be given to communities deemed to have been most impacted by this humanitarian crisis. Based on the level of demand, an award may be less than the full dollar amount requested.

In prioritizing award determinations, the National Board will use a number of factors, including:

- Migrant release data received from Immigration Customs Enforcement (ICE)/Customs and Border Protection (CBP)
- Proximity to ICE and CBP facilities performing releases
- Number of migrants served
- Information organizations provided on the direct costs incurred in serving migrants
- Subject matter expertise and discretion of the National Board
- Any other information and guidance that may be applicable to determining awards
- Sufficiency of available funding

After the National Board makes its funding decisions, Local Boards and SSA Committees will be notified of the award amounts of the LROs. Local Boards will have 5 business days to submit their Local Board Plans to the National Board so that payments may be released to the LROs.

LROs must submit their LRO Certification before funds can be released. If an LRO receives $100,000 or more in funding, they will have to complete a Lobbying Certification, which will be available to them while completing the LRO Certification.
ELIGIBLE APPLICANTS

Service agencies that wish to be considered for an award must:

- Be a nonprofit, faith-based, or governmental entity that provided services on or after January 1, 2019 through January 31, 2020 to southern border migrants released from DHS custody.
- Submit a completed application with required documentation.
- Provide the agency’s Data Universal Number System (DUNS) Number. All agencies applying for this funding opportunity must have a DUNS number. DUNS numbers are issued by Dun & Bradstreet (D&B) at no cost. Link for DUNS Number - http://fedgov.dnb.com/webform
- Provide the agency’s Federal Employer Identification Number (FEIN) - All agencies applying for this funding opportunity must have a FEIN number. FEIN numbers are issued by the Internal Revenue Service (IRS) at no cost. Link for FEIN http://www.irs.gov
- Apply on or before the deadline. Please see Key Program Dates in this document and on the EFSP website. The deadline will also appear on the application.

NOTE: Agencies that participated in the Round 1 Application Period may submit requests in Round 2 for reimbursement of newly identified, eligible expenditures or any eligible expenditures that were not previously reimbursed in the Round 1 Application Period.

The application will be available via the EFSP website, www.efsp.unitedway.org, under the Supplemental Funding Information Tab.

If an agency does not have a DUNS or FEIN number, it should obtain them before the application deadline. Applications will be considered incomplete if this information is not provided. Not having these numbers will prevent an agency from receiving funds.

Any agency that participated in the EFSP in the past and has outstanding compliance exceptions must resolve them prior to the release of funds. For questions about compliance status, see the Compliance Resolution section of this document.
INELIGIBLE SERVICES
The services/expenditures that are not eligible for SAHA funding reimbursement include the following:

- Services provided to migrants outside of the January 1, 2019 through January 31, 2020 timeframe
- Expenditures made outside of the United States.
- Services provided to migrants outside of the United States
- Fraudulent applications/expenditures. Any fraudulent application or expenditure will be reported to the DHS Office of the Inspector General (OIG) for further action.

ELIGIBLE SERVICES AND REQUIRED DOCUMENTATION
There are four service categories of expenditures: Primary, (e.g., food, shelter), Secondary (e.g., transportation, health/medical services), Administrative (e.g., postage, staff time), and Equipment and Assets (e.g., necessary renovations to agency-owned facilities such as bathrooms and showers). All expenditures made by agencies must fall within one of the categories. Primary Services will be considered for reimbursement first. Should funds remain, Secondary, Administrative, and Equipment and Assets services will be considered. Agencies will be able to apply for funding in each category in the Round 2 Application Period.

NOTE: The National Board has determined that for Round 2 reimbursements will be made to defray shelter, food, and other related expenses incurred on or after January 1, 2019 through January 31, 2020. Local Boards and SSA Committees acting as Local Boards may submit administrative expenses incurred through April 15, 2020 for the completion and submission of the application to the National Board.

PRIMARY SERVICES
Primary Services of food and shelter provided by nonprofit and faith-based organizations that provided food and shelter will be reimbursed using either the per capita rate or the per meal rate and per diem shelter rate in the Round 2 Application Period. All agencies may request reimbursement for hotel/motel nights of shelter based on actual costs. If actual costs for any type of service are requested for reimbursement, the expenditures must be documented with proof of payment (cancelled check, credit card statement, etc.) or receipt that substantiates the service provided. Only nonprofit and faith-based organizations may use the per capita rate or per meal and per diem shelter rates.

Primary Services of food and shelter provided by nonprofit and faith-based organizations that provided indirect services other than for food and/or shelter, will be reimbursed based on actual expenditures in the Round 2 Application Period. In order to receive reimbursement, logs of migrants served, and documentation of proof of payment (cancelled check, credit card statement, etc.) or receipts substantiating services provided must be submitted. Please reference Primary Services Expenditures - Government Agencies And Non-Governmental - Faith-Based Agencies That Are Providing Indirect Services on page 12 for detail.

PER CAPITA RATE: A per capita rate will be used to allow applicant agencies to request reimbursement for eligible expenditures made to provide services to migrants, without requiring the submission of documentation (spreadsheets, proof of payment or receipts, etc.) with the application. The per capita rate may not cover all expenses incurred, but the burden of having to provide substantiating expenditure documentation with the application will be waived. However, it is critical to know that all expenditures are subject to audit, regardless of documentation submission. Documentation must be maintained and may be requested at any time by the National Board and program auditors.

Please read the following for more detail about the per capita rate:
A per capita rate (i.e., per person rate) of $28.50 is allowed for each unique migrant that was provided services in the form of food, shelter, and secondary support items.

Only nonprofit and faith-based organizations that provided food, shelter, and secondary services for each unique migrant is eligible to use the per capita rate on a one-time only basis per person, regardless of the number of meals or nights of shelter provided.

The per capita rate is inclusive of all services provided; reimbursement will be made to agencies based on the number of unique migrants multiplied by the rate (e.g., 100 unique migrants x $28.50 per capita = $2,850).

If funding remains, the per capita rate of $28.50 will be applied retroactively for applications approved in the Round 1 Application Period for any agency that selects it for reimbursement in the Round 2 Application Period. If there is an increase in the award amount for an agency application in the Round 1 Application Period, it will be included in the Round 2 Application Period Award Payment (e.g., Round 1 award was $1,000; total unique migrants served in Round 1 was 40 x $28.50 = $1,140. Retroactively, the award increase to the applicant agency would be the difference between $1,140 and $1,000, or $140.)

Documentation Required:

- A log of unique migrants served must be provided with the application. Please reference the Spreadsheet Guidance on page XX for detail.
- Local Boards must support the request from agencies to use the per capita rate for reimbursement. The local government may also send a letter to the Local Board stating support for agencies asking for reimbursement using the per capita rate.
- While supporting documentation is not required with the application, agencies must maintain the documentation for a period of 3 years after the Local Board Plan has been submitted. Please reference the Grant Agreement Articles, Financial Terms and Conditions, Retention and Custodial Requirements for Records on page 52 for detail.

IMPORTANT: 1) If an agency provided only food, only shelter, or only Secondary services, the agency is not eligible to use the per capita rate. The agency must use the per meal rate for food services, the per diem shelter rate for shelter services, or both. 2) Expenses made in the Equipment and Assets Services category are not included in the per capita rate. Agencies must apply for these expenses separately in the application. The services must be documented based on actual costs.

PER MEAL RATE: The per meal rate will be used in the Round 2 Application Period to allow organizations to request reimbursement for eligible food service expenditures made to provide food or meals to migrants, without requiring the submission of documentation (spreadsheets, proof of payment, or receipts) with the application. The per meal rate may not cover all expenses incurred, but the burden of having to provide substantiating expenditure documentation with the application will be waived. However, it is critical to know that all expenditures are subject to audit, regardless of documentation submission. Documentation must be maintained and may be requested at any time by the National Board or program auditors.

Please read the following for more detail about the per meal rate:

- A per meal rate of $3.00 will be used for each meal provided.
- Only nonprofit organizations and faith-based organizations that provided food services for migrants are eligible to use the per meal rate.
- All food expenses will be reimbursed using the per meal rate; reimbursement will be made to agencies based on the number of meals provided multiplied by the rate (e.g., 100 meals x $3.00 per meal rate = $300).
If funding remains, the Round 2 per meal rate of $3.00 will be applied retroactively for applications approved in the Round 1 Application Period for any agency that selects it for reimbursement in the Round 2 Application Period. If there is an increase in the award amount for an agency application in the Round 1 Application Period, it will be included in the Round 2 Application Period Award Payment (e.g., Round 1 award was $3,500; total meals served in Round 1 was 1,200 x $3.00 = $3,600. Retroactively, the award increase would be the difference between $3,600 and $3,500, or $100.)

Documentation Required:

- A daily log of meals served must be provided with the application. Please reference the Spreadsheet Guidance on page 32 for detail.
- While supporting documentation is not required with the application, agencies must maintain the documentation for a period of 3 years after the Local Board Plan has been submitted. Please reference the Grant Agreement Articles, Financial Terms and Conditions, Retention and Custodial Requirements for Records on page 52 for detail.
- If the log and supporting documentation received does not support the request, the National Board reserves the right to move the request to the per capita rate option, if it is deemed more beneficial to an agency.

IMPORTANT: Expenses in the Secondary, Administrative, and Equipment and Assets services categories are not included in the per meal rate. Agencies must apply for these expenses separately in the application. The services must be documented based on actual costs.

PER DIEM SHELTER RATE: The per diem shelter rate will be used in the Round 2 Application Period to allow organizations to request reimbursement for eligible expenditures made to provide shelter services to migrants, without requiring the submission of documentation (spreadsheets, proof of payments, receipts, etc.) with the application. The per diem shelter rate may not cover all expenses incurred, but the burden of having to provide substantiating expenditure documentation with the application will be waived. However, it is critical to know that all expenditures are subject to audit, regardless of documentation submission. Documentation must be maintained and may be requested at any time by the National Board and program auditors.

Please read the following for more detail about the per diem shelter rate:

- A per diem shelter rate of $12.50 will be used for each night of shelter provided.
- Only nonprofit organizations that provided shelter services for migrants are eligible to use the per diem shelter rate.
- All shelter expenses will be reimbursed using the per diem shelter rate; reimbursement will be made to agencies based on the number of shelter nights provided multiplied by the rate (e.g., 50 shelter nights x $12.50 per diem shelter rate = $625).

If funding remains, the per diem shelter rate of $12.50 will be applied retroactively for applications approved in the Round 1 Application Period for any agency that selects it for reimbursement in the Round 2 Application Period. If there is an increase in the award amount for an agency application in the Round 1 Application Period, it will be included in the Round 2 Application Period Award Payment. (e.g., Round 1 award was $1,000; total shelter nights provided in Round 1 was 125 x $12.50 = $1,562.50. Retroactively, the award increase would be the difference between $1,562.50 and $1,000, or $562.50.)

Documentation Required:

- A daily log of shelter nights provided must be submitted with the application. Please reference the Spreadsheet Guidance on page 32 for detail.
While supporting documentation is not required with the application, agencies must maintain the documentation for a period of 3 years after the Local Board Plan has been submitted. Please reference the Grant Agreement Articles, Financial Terms and Conditions, Retention and Custodial Requirements for Records on page 52 for detail.

If the log and documentation received does not support the request, the National Board reserves the right to move the request to the per capita rate option, if it is deemed more beneficial to an agency.

**IMPORTANT:** Expenses in the Secondary, Administrative, and Equipment and Assets services categories are not included in the per diem shelter rate. Agencies must apply for these expenses separately in the application. The services must be documented based on actual costs.

**HOTEL/MOTEL ACTUAL COSTS:** Agencies may request reimbursement for hotel/motel nights of shelter provided for migrants based on actual costs. The actual costs include each hotel/motel night of shelter provided.

Acceptable documentation to support hotel/motel actual costs for nights of shelter provided includes the following:

- Daily count of persons provided nights of shelter
- Receipts from vendors reflecting nights of shelter provided, date and costs (e.g., hotel portfolio), or
- Proof of payment to vendor for nights of shelter provided

**PRIMARY SERVICES EXPENDITURES - GOVERNMENT AGENCIES and NON-GOVERNMENTAL/FAITH BASED AGENCIES THAT ARE PROVIDING INDIRECT SERVICES**

**GOVERNMENT AGENCIES:** Primary Services of food, shelter and related expenses will be reimbursed to government agencies based on actual expenditures incurred in the Round 2 Application Period.

Nonprofit and faith-based organizations that provided indirect services other than for food and/or shelter, will be reimbursed based on actual expenditures in the *Round 2 Application Period*. In order to receive reimbursement, logs of migrants served, and documentation of proof of payment (cancelled check, credit card statement, etc.) or receipts substantiating services provided must be submitted.

**FOOD BANKS:** Food banks may request reimbursement for food and other eligible items that were indirectly provided to support migrants. To receive reimbursement, food banks must meet the following criteria:

- Have made eligible expenditures on or after January 1, 2019 through January 31, 2020 and have not received reimbursement for any of those expenses (e.g., agencies receiving the items did not pay the food bank or indirect provider)
- Have incurred expenses that can be documented

In the *Round 2 Application Period*, food banks will be reimbursed for either direct eligible expenditures which were not reimbursed by other organizations or by the total pounds of food provided to agencies for the indirect support of migrant services. Any expenses that were covered under the maintenance fee required of member organizations are not eligible for reimbursement. Please note the following requirements in support of reimbursements to food banks:

- Reimbursement for direct eligible expenditures must include receipts or proof of payment to vendors.
- Reimbursement for eligible expenditures without receipts or proof of payment will be made
based on the pounds of eligible items provided to other organizations at a set rate to be determined by the National Board.

Agencies that provided supportive services but did not directly serve migrants may receive reimbursement for eligible expenditures. Purchases of eligible items given to other organizations that provided the direct services to migrants may be reimbursed in the Round 2 Application Period. Indirect providers may be reimbursed for the replacement costs of items (e.g., cots, blankets, hygiene kits, health/medical supplies) given to agencies that provided the direct services.

To receive reimbursement, food banks as indirect providers must meet the following criteria:
- Have incurred expenses that can be documented
- Have made eligible expenditures on or after January 1, 2019 through January 31, 2020
- Must not have received reimbursement for the expenditures (e.g., agencies receiving the items did not pay the indirect provider)

**Below are eligible expenditures for Primary Services related to congregate meals or food services:**
- Food Items
- Food Banks (direct food/meal-supportive purchases for migrants)
- Food Banks (indirect support of migrants by giving food/meal supportive items to other agencies that provide the direct services)
- T-shirt Bags
- Storage containers to separate bulk food purchases
- Utensils (e.g., plates, forks, knives)
- Cookware (pots, pans)
- Basic First Aid/Over-The-Counter Medication (e.g., band-aids, aspirin)
- Hygiene Items (e.g., baby wipes, diapers, toiletries, feminine hygiene products, undergarments)
- Facility Utilities (electricity, gas, water)
- Maintenance & Housekeeping (repair and cleaning supplies)
- Contracted Services (security, trash pickup)

**Below are eligible expenditures for Primary Services related to mass shelter services:**
- Hotel/Motel Shelter Nights
- Basic First Aid/Over-The-Counter Medication (e.g., band-aids, aspirin)
- Hygiene Items (e.g., baby wipes, diapers, toiletries, feminine hygiene products, undergarments)
- Cots and Beds, including pillows

Supplemental Appropriations for Humanitarian Assistance Funding
Spreadsheet Guidance

Spreadsheets provide an overview of how SAHA funds were spent and serve as a checklist with which documentation can be compared. A separate spreadsheet is required for Secondary, Administrative and Equipment and Assets services categories and must be submitted with applicant agencies’ applications. Agencies that choose to document hotel/motel expenditures based on actual costs will have to provide a spreadsheet. Note within the spreadsheets used for the Round 2 Application Period, a description column has been added for agencies to clarify items that are not detailed on receipts. Daily logs are also required to account for the number of meals and nights of shelter provided for migrants released from DHS at the southern border.

Spreadsheets and daily logs alone are not enough. Copies of supporting documentation (proof of payment or receipts) of eligible expenditures must also be submitted to the Local Board.

- If spreadsheets and daily logs are not completed accurately, it will result in the possibility of delay or disqualification to receive funds. Blank spaces are not acceptable, except the newly added description column if not needed. The description column has been added to the spreadsheets so that any item on a receipt that is not identified may be noted. N/A is allowed only for the Invoice/Receipt Number column.
- All spreadsheets and daily logs must include:
  - Jurisdiction Name and 6-digit Local Board ID
  - LRO Name and 9-digit LRO ID
  - LRO Address

Note: New organizations applying for SAHA funding will not have an ID number. You may enter New Agency in the spreadsheet and daily logs.

**Required Elements for Spreadsheets** (sample spreadsheets are available on the EFSP website at Supplemental Funding Information)

1. **Payment/Check Number**: preprinted number on check, used to pay vendors for service; if an agency’s credit/debit card is used, indicate credit card or debit card in the spreadsheet (do not include the card number); for electronic transactions, indicate EFT. The approved payment methods are LRO checks, LRO debit card, LRO credit card, cash and electronic payments from LRO bank accounts. All spreadsheets must be sorted by the payment/check number.

2. **Payment/Check Date (MM/DD/YY)**: date the payment/check is issued (date printed on the check) to pay vendors; if an agency’s credit/debit card or cash is used, indicate the date of the purchase (invoice/receipt).

3. **Invoice/Receipt Date (MM/DD/YY)**: date the vendor prints on the invoice or receipt; invoice/receipt date must be dated within January 1, 2019 – January 31, 2020.

4. **Invoice/Receipt Number**: preprinted number on the invoice/receipt from vendors; if there is no invoice number, indicate not applicable (N/A) on the spreadsheet.

5. **Description Column**: This column should be used to provide a description of an item purchased, if it is not clearly identified on the receipt.

6. **Vendor Name**: company or individual that provided services for agency or migrants.

7. **Total Check/Payment Amount**: cost paid to vendors for services provided for agency or migrants; total face amount of check/payment is required. When multiple invoices were paid by one check, all invoices must be listed as separate line items; check information should be repeated as needed.

8. **Invoice/Receipt Amount**: total cost of purchase.

9. **EFSP Portion of Invoice Amount**: portion of the purchase paid with EFSP funds; the EFSP portion should not exceed the total check/payment amount and invoice amount. The column must be totaled on each page if multiple pages are required for the category. The total amount must be provided for the category on the last page, if multiple pages are required.
Required Elements for Administrative Expenditures Spreadsheets – Payroll

1. **Employee Name:** Name of employee(s) who provided direct services, and name of employee(s) who administered/prepared/completed the funding request process after the period of services for migrants.

2. **Payroll Date (MM/DD/YY):** The date that compensation was paid to employees (date printed on the payroll register).

3. **Percentage:** Percentage of time charged to EFSP.

4. **Payroll Amount:** Amount printed on the payroll register.

5. **EFSP Portion of Payroll Amount:** The payroll amount charged to EFSP. The EFSP portion of the payroll amount should equal to multiplying the payroll amount by the percentage of time charged to EFSP.

GRANT AGREEMENT ARTICLES, FINANCIAL TERMS AND CONDITIONS AND OTHER TERMS AND CONDITIONS

The Supplemental Appropriations for Humanitarian Assistance (SAHA) is a restricted federal grant. All federal grants have terms and conditions that apply to ALL parties participating in the grant. For the SAHA, all parties mean the National Board which is considered the Recipient, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) which are considered the Sub-Recipients. This section of the Supplemental Funding Guidance (SFG) provides guidance related to the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions of the grant. The SAHA Certification Forms for all parties contain statements that incorporate the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions. All parties must ensure their understanding of this section of the Supplemental Funding Guidance (SFG) and the statements on the Certification Forms being signed, as they are agreeing to specific program requirements mandated by the Federal government, including those that may not appear to apply to the types of programs and activities eligible under the SAHA. While some of the articles do not appear to be consistent with the types of programs and activities funded under the SAHA, and some address recipients but not sub-recipients, all Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions must be passed on to all participating parties. All parties will be held accountable for complying with the provisions of the grant as well as full compliance with applicable requirements of all other Federal laws, Executive Orders, regulations, and policies governing this program including those not specifically stated in this SFG.

Participating SSAs and Local Boards have responsibility for ensuring compliance in their selection of service agencies for funding and adhering to all SAHA requirements, including the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions. SSAs, Local Boards, and LROs should familiarize themselves with all specific citations noted in the Guidance.

Article I - Assurances, Administrative Requirements, Cost Principles, Representation and Certifications

DHS financial assistance recipients must complete either the Office of Management and Budget (OMB) Standard Form 424B Assurances - Non-Construction Programs, or OMB Standard Form 424D Assurances - Construction Programs, as applicable. Certain assurances in these documents may not be applicable to your program, and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances applicable to their program as instructed by the awarding agency. Please contact the DHS FAO if you have any questions. DHS financial assistance recipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at Title 2, Code of Federal Regulations (C.F.R.) Part 200, and adopted by DHS at 2 C.F.R. Part 3002.

3. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.
4. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

Recipients of federal financial assistance from DHS must complete the *DHS Civil Rights Evaluation Tool* within thirty (30) days of receipt of the Notice of Award or, for State Administering Agencies, thirty (30) days from receipt of the DHS Civil Rights Evaluation Tool from DHS or its awarding component agency. Recipients are required to provide this information once every two (2) years, not every time an award is made. After the initial submission for the first award under which this term applies, recipients are only required to submit updates every two years, not every time a grant is awarded. Recipients should submit the completed tool, including supporting materials, to CivilRightsEvaluation@hq.dhs.gov. This tool clarifies the civil rights obligations and related reporting requirements contained in the DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS. Local Boards may not alter or change National Board cost eligibility or approve expenditures outside of the National Board’s criteria without National Board permission. Local Boards may not alter or change the National Board’s documentation requirements.

In the event the National Board discovers ineligible expenditures of EFSP funds by an LRO, the National Board will send a written request to the LRO for recoupment of the ineligible amount, copying the Local Board. If the LRO is unwilling or unable to reimburse the National Board for the ineligible expenditure, the National Board may refer the matter to FEMA.

If the Local Board suspects that fraud has been committed by an LRO, the Local Board must contact the DHS Office of Inspector General (OIG) with details of the suspected fraud or misuse of Federal funds. The OIG’s preferred method for reporting fraud is to fill out and submit their online allegation form from their website [www.oig.dhs.gov](http://www.oig.dhs.gov). The address for mailing information is **DHS Office of Inspector General/MAIL STOP 0305, Attention: Office of Integrity & Quality Oversight – Hotline, Murray Lane SW, Washington, DC 20528-0305**.

   f. A systematic method to assure timely and appropriate resolution of audit findings and recommendations.
g. In cases where more than one civil jurisdiction (e.g., a city and a balance of county, or several counties) recommends awards to the same LRO, the LRO can combine these funds in a single account. However, separate program records for each civil jurisdiction award must be kept.

This $750,000 could be exclusively SAHA funds or a combination of SAHA and other Federal funds that an agency might be receiving. **Note: A copy of the audit report must be forwarded to the National Board annually along with the regular audit. SAHA funds must be clearly identified by ID number in the audit/review and Schedule of Federal Awards.**

Audits of units of government shall be made annually unless the state or local government had, by January 1, 1987, a constitutional or statutory requirement for less frequent audits. LROs receiving funds in a single or multiple jurisdictions must identify each award individually by their LRO ID number in each jurisdiction under the Pass-Through Grantors Number on the Schedule of Expenditures of Federal Awards.

8. **Payment**

A direct payment shall be made to the LRO upon recommendation of the Local Board and approval by the National Board. All LROs will have to be in compliant with SAHA guidelines. Any LRO with an outstanding compliance exception will have to resolve the exception, prior to the release of funds.

The National Board shall provide LROs with the necessary reporting requirements in advance of report deadlines.

LROs shall submit Supplemental Funding Reimbursement Reports to the National Board by the application deadline designated by the National Board.

10. **Closeout**

The following definitions shall apply:

a. “Closeout” is the process by which the National Board determines that all applicable administrative actions and all required work of the award have been completed.

b. “Disallowed costs” are those charges that the National Board determined to be unallowable in accordance with the legislation, National Board requirements and applicable Federal cost principles or other conditions contained in the award. The applicable cost principles are contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance.). 12. Lobbying
Pursuant to 31 U.S.C. §1352, an LRO is prohibited from using federally appropriated grant funds for lobbying activities. This condition bars the use of Federal money for political activities but does not in any way restrict lobbying or political activities paid for with non-Federal funds. This condition prohibits the use of Federal grant funds for the following activities:

• Federal, state or local electioneering and support of such service agencies as campaign organizations and political action committees;
• Direct lobbying of the Congress and State Legislatures to influence legislation;
• Grassroots lobbying concerning either Federal or state legislation;
• Lobbying of the Executive Branch in connection with decisions to sign or veto enrolled legislation; and,

Any LRO that will receive more than $100,000 in SAHA funds is required to submit:
• a certification form that SAHA funds will not be used for lobbying activities; and,
• a disclosure of lobbying activities (if applicable).

This certification and disclosure must be submitted prior to grant payment.

13. Debarment and Suspension Regarding Funding
Pursuant to Executive Order 12549, Debarment and Suspension, all LROs benefiting from SAHA funding must certify that they have not been debarred or suspended from receiving funds from or doing business with the Federal government. Each LRO will make this certification by signing the LRO Certification Form which states the requirement. Each Local Board must certify they have received the LRO Certification Form from the LRO which state the requirements.

OTHER TERMS AND CONDITIONS

Duplication of Benefits
There may not be a duplication of any Federal assistance by governmental service agencies, per 2 CFR Part §225 (Uniform Guidance), basic Guidelines Section C.(c), which states: Any cost allocable to a particular Federal award or cost objective under the principles provided for in this Authority may not be charged to other Federal awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the Federal awards, or for other reasons. However, this prohibition would not preclude governmental units from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental service agencies are also subject to this prohibition per 2 CFR Parts §220 and §230 and 48 CFR Part §31.2 (Uniform Guidance.)

SAHA Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. SAHA is not intended to make up for budget shortfalls or to be considered a line item in an annual budget.
Expenditures charged in full to the SAHA grant may not also be charged to other awards/grants; nor may expenditures paid for with SAHA funding be charged to other awards/grants. The statements contained in the Certification Forms – “Will use funds to supplement/extend existing resources and not to substitute or reimburse ongoing programs and services” and “Will expend monies only on SAHA eligible costs” - as well as the Eligible Expenditures section of the SFG speak to this requirement.

Non-Supplanting Requirement
Grant funds will not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. Hatch Act
The Hatch Act restricts the political activity of individuals principally employed by state or local executive agencies and who work in connection with programs financed in whole or in part by Federal loans or grants. All recipients of financial assistance will comply with the regulations, as applicable, to States and Local Governments, of the Hatch Act, 5 U.S.C. § 1501 – 1508, as amended.

SAHA Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs (both governmental and non-profit). These service agencies are responsible for determining the applicability of this requirement to the employees of their agency/organization as this requirement is fact-dependent and needs to be compared to the work of the individual employee.

False Claims Act and Program Fraud Civil Remedies
All recipients of financial assistance will comply with the requirements of 31 U.S.C. § 3729 which sets forth that no recipient of Federal payments shall submit a false claim for payment. Further, 38 U.S.C. § 3801 – 3812 contains administrative remedies for false claims and statements made.

SAHA Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. Generally, this act provides for criminal penalties if false claims are filed.

Debarment and Suspension
Executive Orders 12549 and 12689 provide protection against waste, fraud and abuse by debarring or suspending those persons/agencies deemed irresponsible in their dealings with the Federal government. The recipient agency must certify that they are not debarred or suspended from receiving Federal assistance. For additional information, see 2 CFR Part §3000 (Uniform Guidance.) “See also Appendix B. Best Practices for Collection and Use of Personally Identifiable Information (PII)
DHS recommends that all grantees who collect PII have a publicly-available privacy policy that describes what PII they collect, how they use the PII, whether they share the PII with third parties, and how individuals may have their PII corrected where appropriate. Grantees may also find as a useful resource the DHS Privacy Impact Assessments: The Privacy Office Official Guidance and the Privacy Impact Assessment Template (available on the DHS Privacy Office website at:

SAHA Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. In order to meet the documentation requirements of the SAHA in certain program categories, it is necessary to obtain, retain, and provide, if requested, PII for clients served with SAHA funding. The National Board does not require and does not expect to receive PII beyond what is noted in the SAHA Documentation Requirements as stated in the SFG. Items that should not be submitted to EFSP as documentation include, but are not limited to, driver’s licenses, Social Security Numbers or cards, pay stubs, etc.
